

Global Light Vehicle Sales Forecast

In conjunction with:

Including all segments of the passenger and light commercial vehicle sector (up to 6 tonnes GVW) and offering a 7-year time horizon, the JATO — LMC Automotive **Global Light Vehicle Sales Forecast** provides and updates monthly forecasts by manufacturer, make, and model, covering over 94% of global sales. It is the market’s best available source of strategic information on global and regional light vehicle sales.

The Essentials

- Seven-year sales volume forecasts for vehicles up to 6t GVW, by:
 - Region and country
 - Market segment
 - Manufacturer, make and model
- Data updated monthly, with monthly timeslices
- Quarterly supporting text discussing the macroeconomic developments and socio-political drivers underlying our demand forecasts
- In-depth OEM analysis, including market position and share (overall and by segment)

Deliverables

Monthly updated data in Excel pivot tables and quarterly summary reports in PDF outlining forecast drivers as well as manufacturer and country overviews, all delivered online

LMC Automotive provides the highest quality global sales and production forecasts for light vehicles and medium/heavy commercial vehicles, along with forecasts of engine and transmission supply and demand.
